

Summer 1– Week 3– Thursday 7th May 2020

English

Task 1

Based on all you have read so far this week, design your own deadly creature.

This could be a hybrid of your favourite deadly creatures such as a cobra snake and a tiger combined or a completely new creature.

Give a name for your deadly creature and draw a picture of it – labelling the key ‘deadly’ features around the image.

Write a few sentences to describe your creature explaining why it is so deadly.
