#### Task 1

Watch this clip of passengers boarding the ship, taken from the 1997 film Titanic:

Then watch again – pausing at key points as you watch, and jot down words or phrases for the things you can see and hear in the clip, such as: cars arriving, crowds of people, third-class passengers having a health inspection and the ship's horn.

#### Task 2

Now go back and improve your words and phrases for example, 'cars arriving' may become 'luxurious cars arrived on the dock' and 'crowds of people' may become 'the crowds of people were like a swarm of ants'. #### Task 3

Once you have improved your sentences, have a go at writing this scene in narrative form.

Imagine this scene is for a new opening of a story about Titanic. Write the opening to the story retelling this scene. Don't forget to include the words and phrases you have written.

You can select whether your opening is written in first person, 'As I arrived, I saw Titanic for this first time' or third person 'As Character name (you choose your character) arrived, she/he saw Titanic for the first time.'

Make sure you continue to proof-read your work as you write, checking for spelling and punctuation.
