

Summer 2– Week 5 – Wednesday 1st July 2020

English

Task 1

Explore why children were evacuated and what life was like for them by watching and reading these two sources. Jot down any information which interests you:

Watch: <https://www.bbc.co.uk/teach/class-clips-video/history-ks2-an-evacuees-adventure/zk7hy9q>

Read: <http://www.primaryhomeworkhelp.co.uk/war/evacuation.htm>

Task 2

Based on what you have read and watched, create an information page, which could feature in a historical magazine about life as an evacuee.

Think carefully about how you present your information, considering these points:

- Do you have clear headings/sub-headings to inform the reader?
- Have you included facts/dates from the information you've read?
- Have you included any personal accounts about life as an evacuee (this could be taken from the BBC video clip you have watched)?

Remember to proof-read your information page, checking for spelling and punctuation.
