Task 2

Use www.wordhippo.com to find out the meaning of any words you are unsure of. Make a note of the new words you have learnt.

Task 3

Write down what you think Olive's thoughts and feelings are during these key points in the chapter. Make sure you give reasons for each of your answers based on what you have read:

1. Eating supper at home (pages 1-2)
2. Arriving at the cinema and watching the newsreel (pages 4-5)
3. Air-raid announcement – waiting for Sukie (pages 6-7)
4. Taken towards an air-raid shelter (pages 8-9)
5. Seeing Sukie and following her (pages 9-11)
6. Sukie talking to a stranger (page 12)

An example answer for key point 1, 'Eating supper at home', may be:

I think Olive doesn't like the food she is having for tea because she says it is that bad that 'it's a wonder we're still alive'. However, she feels she has to eat it because she says 'no-one chucks food away with a war on'.
