#### Task 3

Based on what you have read and watched, create your own rap, song or poem about the Solar System.

You may create your rap, song or poem in different ways, such as:

- Use the rap you listened to on YouTube as a starting point and edit some of the lyrics/ add to the existing lyrics to create your own version.
- Choose one part of the Solar System to create your rap/song or poem about e.g. your favourite planet.
- Choose your favourite type of poem such as a limerick, haiku or acrostic and use this to write about the Solar System.

Make sure you keep practising your rap, song or poem by reading it aloud and editing as you write.

Once you have finished, have a go at performing it to someone in your house. If possible, you could also record it to send to your teacher!
