Dear Parent or Carer,

Application to Secondary School – Y6 Pupils

Applications are now open for secondary school places with a deadline for applications of 31st October 2020. Details of how to apply online are given in the attached leaflet.

There are several secondary schools in the Colne and Nelson area, and it is up to families to decide which school would be the best option for their children. To help you in making a decision, we have listed the nearest secondary schools below but be aware that there are other schools available and you may wish to consider schools from other areas. Normally the schools would hold an open evening and do taster visits for Y6 pupils, but under the current Covid-19 restrictions, we expect that will not be possible.

We have made contact with all the schools to see what advice, information or support they will be able to provide to families during the application process and we will forward that to you as and when we receive it.

If you have any queries, please do not hesitate to visit the websites of the various secondary schools or to contact Mrs Witts in the school office.

If you struggle to access the application process for any reason, please contact Mrs Witts and she will assist you with the application, but please be aware that Primet Primary School are unable to advise you on the choice of secondary school for your child.

Yours sincerely

Ms S Bashir
Y6 Teacher
