Friday 18th September

Dear Parents/ Carers,

At Primet Primary School we feel that children should take on responsibilities in lots of different ways. One of these responsibilities is representing school as Head Girl and Head Boy. These very important positions are for two children who can be the face of the school and have the confidence to talk to visitors and show people around our fantastic school. They may be asked to represent school at outside functions and events. Lots of our Year 6 children would like to be chosen for this position and I would like to thank all the children who applied for the role.

I am delighted to announce that Head Girl this year will be Jada Barlow and Head Boy will be Patrick Barr. Both children will do an amazing job and they are really excited about being chosen. Deputy Head Girl will be Kenya Askew and Deputy Head Boy is Mohammed Usmaan who are more than capable in their supporting roles.

The Year 6 children have also chosen house captains and they are Usmaan, Kenya, Hasan and Noor. They will be announcing house point winners every week in our virtual Friday celebration assembly.

The Year 6 children are showing the rest of the pupils a great example on working hard and looking after each other. This is so important as their excellent attitude and behaviour shows everyone how to be good citizens to the whole school.

Well done again to all the children mentioned and I'm sure they will all have a great year.

Yours sincerely
