Thursday 17th December 2020

Dear Parents and Carers,

Please find enclosed your child's Autumn 2020 Interim Report. As a school we feel that it is important that our parents and carers are updated termly as the children complete termly assessment points. This interim report is to keep you informed and you can see the progress your child is making in school. You will also receive an interim report in the Spring and Summer term and a full report in the Summer term.

The report provides a record of the individual pupil's attainments and achievements. The report contains a grade for reading, writing, Maths, Personal Development, Physical Development and communication and language. That grade is based upon teacher assessment. Please see the guidance overleaf about the grading system. The full report also gives a summary of progress for each subject or area taught. In each report the children should receive a target on how they can improve and a grade for their effort made in each subject.

The most effective use parents can make of this report is to sit down with their child and go through it carefully together. This document belongs to you.

The report provides an opportunity for your child to realise his/her own strengths and weaknesses and to set targets for the future. Please read it in full with your child, and outline any comments you feel are appropriate on the comment slip enclosed. Please return the comment slip to your child's class teacher as soon as you are able.

Your child's attendance and punctuality are also noted on the report. The attendance is recorded up to Friday 11th December 2020. Any absences which are Covid related are not counted in the absence figures. School has an expectation of every child being at school for 96%+ once school begins in September.

Yours sincerely,

Christopher Holmes
Head teacher

Together we care, believe, learn and achieve.

Key:

Attainment:

Well below – Not on track but meeting individual personal targets set.	Just Below Almost on track to meet expected standard at the end of this year.	Expected On track to meet expected standard at the end of this year	Greater Depth On track to exceed expected standard at the end of this year
---	---	---	--

Progress: This is the progress made from September 2020:

Well below	Just below expected	Expected	Better than expected
-------------------	----------------------------	-----------------	-----------------------------

Effort: The effort made in class:

Needs to try harder	Good	Excellent
----------------------------	-------------	------------------

Please note that EYFS reports and grades are prepared differently to reports and grades for KS1 and KS2.
