

Dear Parents and Carers,

This is our first newsletter for this new year and I would like to say well done and thank you.

I am really proud of all the children, families and staff for your support when we changed to remote learning on the day before term started. With the news we all received on Monday night, it turned out to be the correct decision. You are all doing a brilliant job with the remote learning and as parents and carers I understand the difficulties in balancing this with home and work life. Make sure you give everyone a break from time to time and always remember what a great job you are doing.

If you have any problems, any queries or need any support at home, please contact school so we can help you in any way possible. Even if it is not school related, we may have the answer or know where you can get support.

To support your children more with their reading we are setting up reading books remotely which match the books we have in school. Your class teacher will be in touch with login details for you. In addition, it is important that you keep in touch with your child's class teacher by sending in work. We are making regular contact with all our families to check on your well being, to offer support on remote learning and to see if there is anything else we can help with. Children are receiving feedback for completed work they send in to school. You will see in the newsletter some examples of completed work both at home and in school. Well done to everyone.

If you haven't had a phone call from school, we may be struggling to get in touch with you. Please ensure you update your contact details with the school office if your phone number or other contact details change.

We are constantly updating the way we work in line with the changing circumstances during this pandemic. The staff team at school understand that keeping school arrangements constant is important for everyone in our community and we try to give as much notice as possible of any changes that need to be made. But the best way we can help everyone around us is to support remote learning so we are minimising contacts and so reducing the possibility of the virus being passed on.

Please review the information available in the newsletter and in particular please take note that we have a vacancy in school for a Parent Governor. The Governors oversee the running of the school and make decisions about how the school can improve. The Governing Body is very important in leading and supporting our school and working to ensure the best outcomes possible for our whole school community and in particular the children in school. It is a brilliant role to get involved in and I would highly recommend it to anybody. Please look out for information coming soon if you would like to volunteer.

I hope everyone has a great weekend. Stay safe and stay well.

Yours sincerely

Christopher Holmes

Head teacher

### Attendance at School

It is government guidance that where possible children should stay at home and access remote learning. School remains open for the children of key workers where there is no other childcare provision and to children in receipt of additional support. Please ensure that you follow up to date government and medical advice to keep your family safe.

## How to find Remote Learning

Your child's remote learning is available on the school website. Visit [www.primet.lancs.sch.uk](http://www.primet.lancs.sch.uk). Click on **Our Learning** then **Class Curriculum**. Select your child's year in school and then click **Home Learning**. School work is listed to show what your child should be completing each school day.

## Emailing school work back to your teacher

Once your child has completed their school work for the day, please email a photo of it to their class teacher using the email addresses below. Your child will receive feedback from their teacher.

## Contacting your child's teacher and other staff

Teachers and other school staff can be contacted by email, text or telephone. If you have any queries or concerns or need any support, please do not hesitate to contact school on **01282 864607**. You can email your class teacher or other school staff using the addresses below:

## Hints, trips and tricks

If you have any hints, tips or tricks that you have discovered during Remote Learning that you would like to share with school and other parents, please let us know so that we can add them to the website and include them in future newsletters. Please email: [admin@primet.lancs.sch.uk](mailto:admin@primet.lancs.sch.uk), phone us on **01282 864607** or reply to any text sent to you from school. Thank you.

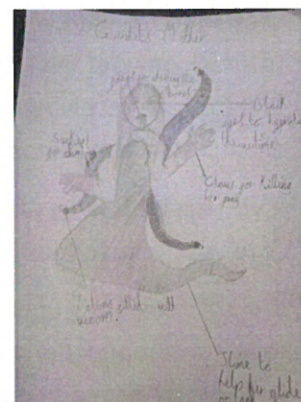

## Parent Governor Election

A Parent Governor position has become available at school. Mr Holmes we be writing to parents and carers shortly, inviting them to forward expressions of interest for the role. If you would like to put yourself forward for the role, please email [head@primet.lancs.sch.uk](mailto:head@primet.lancs.sch.uk). If more than one nomination is received for the post, an election will be held. Thank you for your support.
