

Shape Nets

I can identify the nets of common 3D shapes.

Match the 3D shape to its net by colouring the correct pairs the same colour.

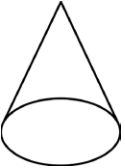

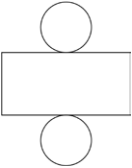

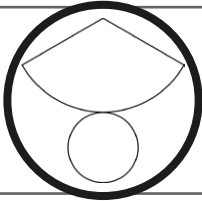

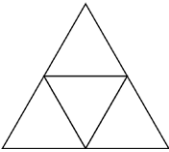

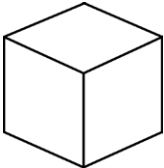

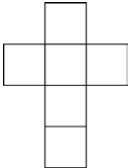

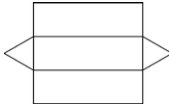

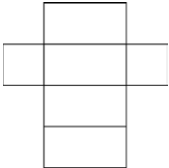

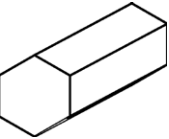

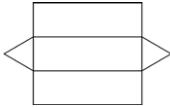

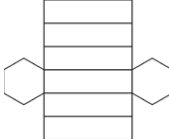

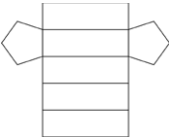

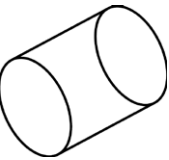

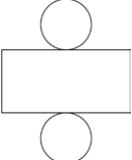

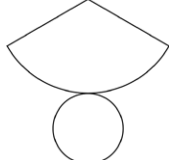

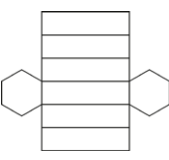

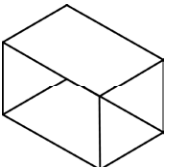

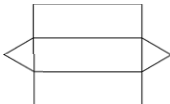

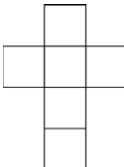

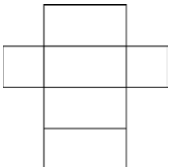

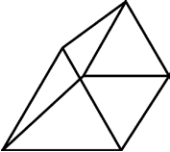

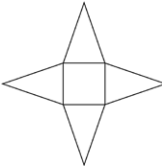

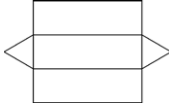

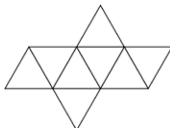

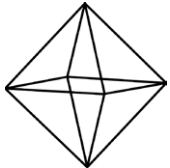

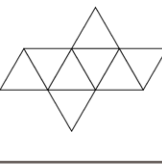

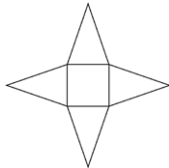

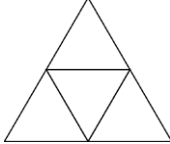

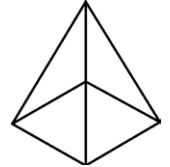

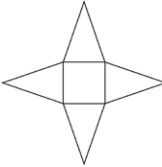

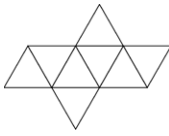

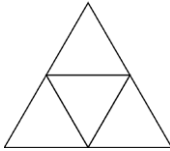

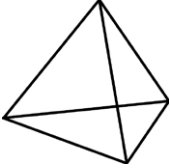

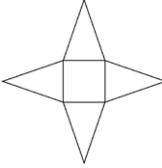

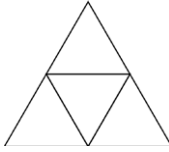

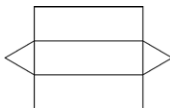

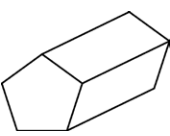

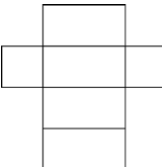

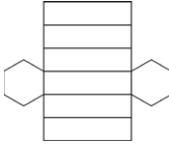

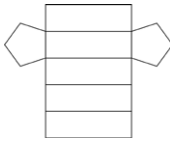

Shape Nets

I can identify the nets of common 3D shapes.

Circle the correct shape net for the given 3D shape.

Shape Nets

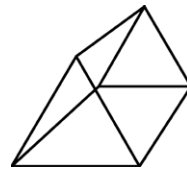

I can identify and draw the nets of common 3D shapes.

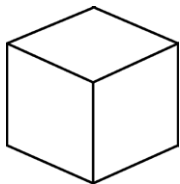

Use a pencil and ruler to draw the shape net of the given 3D shape.

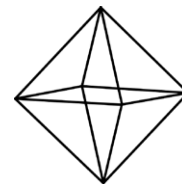

Cone

Triangular Prism

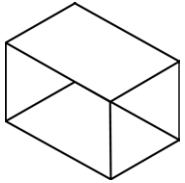

Cube

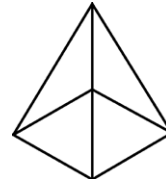

Octahedron

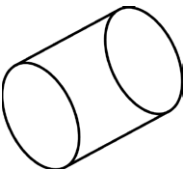

Use a pencil and ruler to draw the shape net of the given 3D shape.

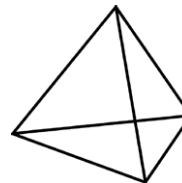

Cuboid

Square-Based Pyramid

Cylinder

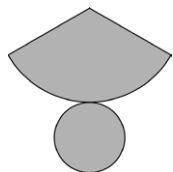

Tetrahedron

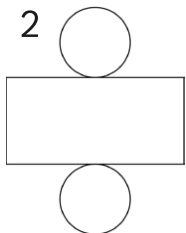

Shape Nets Answers

Match the 3D shape to the correct net by colouring the correct pairs the same colour.
