

Dear Parents and Carers,

I hope everyone had a great Easter holiday and it is great to see that all the children have come back to school settled and ready to learn. It has been brilliant to see that so many children have been reading at home and are moving through the reading scheme bands. I have read with the children from Reception and there are some brilliant readers in there. Well done everyone!

We continue to monitor all children's attendance so please make sure that your children are here at school every day on time to make sure they do not miss out on learning and other activities.

We are delighted to announce that Mrs Phillips has joined Primet Primary School as a Teaching Assistant in Year 1 and Year 2 adding to our super Key stage 1 team to support and encourage all the children to make progress with their work.

Please note the dates listed here. We are expecting that all these events will take place but they may change slightly because of COVID 19 restrictions.

All children are now completing assessment week at the same time due to SATS being cancelled by the government.

Yours sincerely

Christopher Holmes
Headteacher
