Tuesday 10th June 2021

Dear Parents,

We have been made aware that a member of our school community has tested positive for COVID 19. Children not in the affected bubble have not come into contact with this person and should come to school as normal.

We know that you may find this concerning but we are continuing to monitor the situation and are working closely with Public Health England. This letter is to inform you of the current situation and provide advice on how to support your child. Please be reassured that for most people, coronavirus (COVID-19) will be a mild illness.

The small number of children who have been in close contact with the individual who has tested positive for coronavirus (COVID-19) have received a letter informing them that their child must stay at home and confirming the date for them when their self isolation period will end.

The school remains open and all other children should continue to attend as normal.

Yours sincerely

Christopher Holmes
Head teacher

If your child or anyone in your household develops Covid-19 symptoms, please contact school as soon as possible.
