

Dear parents and carers,

Only 2 days to go to see if England can win something at football, which is a new experience for me even though I am in my fifties! We are open as normal on Monday 12th July 2021 and we will be expecting the children to arrive at school at the normal time. Hopefully we will be celebrating! Children can come in Football kit or sportswear on Monday to celebrate England's performance in the championship.

Sports day was brilliant last week and I would like to thank all the families who came to watch. All the children looked like they had a great time.

Tonight we are sending home a letter confirming that in September, we are beginning after school child care for the children in school in order to support our whole school community. We have had an increasing number of families indicating they would like to access after school childcare. Please return the form to book a place as soon as possible.

We will be holding Year 6 leavers' assembly on Thursday next week from 1.30pm. We will be sending a letter out on Monday inviting families to this event. Year 6 had a lovely trip to the park this week and we hope the weather stays good. We will be holding prize giving for the rest of the school on Friday 16th July 2021 in the morning. This will be for 100% attendance as well.

Have a lovely weekend and lets hope for some success: Come on England!

Yours sincerely,

Christopher Holmes
Head teacher

Monday 12th July 2021—European Football Championship

In recognition of the achievements of the England Football Team in reaching the final of the European Championships, we would like to invite pupils and staff to wear football kit or sportswear on Monday 12th July 2021. Please note, we are aware of a social media message circulating that schools should open late or even not at all on Monday in the event that England win. We would like to confirm that whatever the result is, school will be open at normal time (8.35am) and all pupils who are not self isolating will be expected to attend.

You may also need to take and pay for PCR tests for each traveller in your family. Please be aware that the last day of travel for your family to return to the UK for your child to start school on time in September is **Saturday 21st August 2021 under the current guidance**. Sports Day

Well done to all the pupils that took part in Sports Day, and thank you to those parents and carers who were able to join us. We were pleased to be able to invite parents and carers in to school, even if it was only as far as the yard. Our pupils had a great day and we hope that we were able to give pupils something to remember. Thank you to the staff who made the school playground look spectacularly colourful and joyous for the occasion. Pupils in KS1 were awarded with medals and KS2 pupils were awarded House Points.

Lateral Flow Tests

Test kits are available for collection from the School Office before Friday 16th July to be used by adults and children over 12 years only.
