Wednesday 14<sup>th</sup> July 2021

Dear Parents and Carers,

Please find enclosed your child's Annual Report, covering this academic year at Primet Primary School 2020 – 2021. Much care and time has gone into preparing it, in the hope that our parents and carers will find it interesting and useful.

The report provides a record of the individual pupil's attainments and achievements. The report contains an attainment grade for reading, writing and maths. That grade is based upon a test and teacher assessment. Due to the pandemic, it is expected that the children would have achieved a developing grade for their year group. Please see the guidance overleaf about the grading system. The full report also gives a summary of progress for each subject/area taught which is written by the class teacher or teacher who taught that subject/area. In each report the children should receive a target on how they can improve and a grade for their effort made in each subject.

The most effective use parents can make of this report is to sit down with their child and go through it carefully together. This document belongs to you.

The report provides an opportunity for your child to realise his/her own strengths and weaknesses and to set targets for the future. Please read it in full with your child, outlining any comments you feel are appropriate on the comment slip enclosed. Please return the comment slip to your child's form teacher as soon as you are able.

Your child's attendance and punctuality are also noted on the report. The attendance is recorded up to Friday 9<sup>th</sup> July 2021. All Coronavirus absences are not included in the percentages for the report for attendance.

School has an expectation of every child being at school, every day. School begins again on Friday 3rd September 2021.

Yours sincerely,

Christopher Holmes  
Head teacher
