

Dear parents and carers,

We are pleased to say that the number of Covid cases in school has reduced and we will move back out of bubbles on Monday 11th October. I would like to thank everyone for their patience over the last two weeks.

We have had a lot going on in school over the last couple of weeks. Our Year 5 class have been on a visit to the Pendle Sculpture Trail which links to their topic about the Pendle witches. They had brilliant weather and really enjoyed the trail and learnt a lot about our local area. We've also had a visitor from the Lancashire Archives talking to Y2 about the history of Primet Primary School. Miss Dark and Miss Riley took the girls Y5/Y6 Netball Team to a tournament at Pendle Vale last Wednesday. The team won several matches, in preparation for a tournament that will take place shortly. Miss Dark has been practicing with the girls most lunchtimes and it really showed as the children worked really well as a team and represented school brilliantly. We have a rugby tournament coming up soon along with a football competition and an orienteering event as well. It is important that the children get the opportunity to represent school when they can.

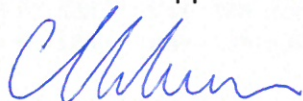

Please remember to return the Parents' Evening slips to book a time to meet with your child's class teacher on Thursday 21st October. The meetings are being held in school. It is a great opportunity to speak to the class teachers on how your children have settled into their new class and to discuss their work.

We have a display in The Cube in Colne at the moment which has been a great success. The theme of the display is 'The adventures that the children at Primet Primary School experience'. Do visit if you can.

Next week our EYFS outdoor play area is being upgraded. It does mean on Tuesday and Wednesday that EYFS children will use the Key Stage One entrance to be dropped off and picked up.

Thank you for your continued support and we are always available to speak with every day at school.

Yours sincerely

Christopher Holmes
Headteacher

Y2 History Topic

On Wednesday, Year 2 had a visit from a Historian, David Tilsley from the Lancashire Archives. David came into school to help Year 2 learn more about our school in the past. Year 2 were fascinated to look at a giant timeline and find out when our school had been built. David shared some entries from 'Log books' written in the late 1930s which shared how evacuees came to our school from Bradford and lived as locally as Phillips Lane.

David even left one of the Archives boxes for us to fill with information throughout the school year about what it is like to be in Year 2 at Primet Primary in 2021.

At the end of the year we will hand this over to be stored in the Archives so people in 100 years will be able to find out what it was like to be at our school in 2021. We can't thank David enough for coming in and engaging the children in History.

Hand Hygiene

On Friday 15th October we will have a visitor in school to talk to the children on the importance of proper handwashing. The sessions will include a practical demonstration. If you are happy for your child to take part in the demonstration, please return the consent form.
