Dear parents and carers,

A big congratulations goes out to Year 6 who have completed their SAT tests this week. The children in Year 6 have done very well and we are hoping for the best results Primet Primary school have ever achieved. This improvement is down to the hard work from the children and the excellent efforts from the staff, Miss Bashir and Miss Iram in Year 6, and their high expectations. These results will be shared on the website once we have them. School has been very calm this week in all the classes as the children in every class want to do their very best. It is a credit to our families, children and staff here at Primet that this ethos pervades around the school. Year 2 will complete their tests next week and we are putting on breakfast for all the children in Year 2 from 8.30am each day next week.

All the other year groups will be doing their assessments after the half term holidays.

Year 2 had a very successful trip to Fleetwood this week where they went to the museum and looked at the town and learnt lots about the place. All the children looked like they really enjoyed it. Thank you to the staff for organising this event.

Please be aware that if you know of anybody who is looking for a school place for Year Reception class in September, please ask them to contact school immediately as we are not quite full for next year. Dates for home visits for the new starters will be organised and further information about the transition into school will be sent home after the holidays.

Thank you for your continued support and we are always free to speak with everyday at school.

Yours sincerely,

Christopher Holmes

Head teacher
