

Dear Parents and Carers,

What a fantastic first half to the Summer Term—well done to all our children!

Thank you for supporting us at the family jubilee picnic, we hope you enjoyed it as much as we did, it was wonderful to see so many Parents and Carers joining us in school to celebrate this momentous occasion.

Congratulations to our Year 2 children who have completed their SAT tests this week. They have done very well and we are hoping for the best results Primet Primary school have ever achieved. This improvement is down to the hard work from the children and the excellent efforts from the staff, Miss Richards and Mrs Hugill in Year 2, and their high expectations. These results will be shared on the website once we have them. School has been very calm this week in all the classes as the children in every class want to do their very best. It is a credit to our families, children and staff here at Primet that this ethos pervades around the school.

All the other year groups will be doing their assessments after the half term holidays.

Year 4 had a brilliant day of fun on Wednesday when we were joined by Heritage Learning who delivered a music workshop in the hall, it was awesome to see the children making music and enjoying themselves. Chris and David were very impressed with the enthusiasm of our children and said they can't wait to visit us again soon.

The rugby team from Y5 also had a great competition this week and thanks to Miss Dark for organising this event.

And finally, we would all like to wish Mrs Witts all the best on her final day at school as she moves onto a new school in Peterborough. Mrs Witts has been integral for the improvement this school has made over the years and we will all miss her smile and enthusiasm for everything and everybody here at Primet. She will be very much missed. Miss Ellison has now taken over this role and please say hello if you come into the office.

Have a lovely half term holiday and school reopens on Monday 6th June 2022. Remember if you need anything please make sure you get in touch.

All the best,

Christopher Holmes, Head teacher
