

Dear Parents/Carers,

We have had a lot going on in school over the last couple of weeks. Some of our Year 3 class have been on to a competition for fielding and throwing. They all had a wonderful evening and we would like to thank Miss Dark and Miss O Keefe for taking them to this event. Also, the girls and boys football teams are playing lots of matches and they have made a brilliant start. Both teams are in the first division. We think it is very important that the children have a chance to represent school at lots of events and competitions so it's great to see the children doing so well.

We have some good news as well in EYFS. The children have a new climbing frame. The children are enjoying using the new equipment. Reception have also enjoyed a teddy bear picnic in the forest school and Parents came in to help with the children making jam tarts which looked delicious. Reception always has amazing things going on and the children and staff always look like they are having an amazing time. Please can you all see if you can connect to the new school APP, **School Gateway**, this helps you receive all the school information and you pay for dinners and trips without coming to the office. There is also a booking system so you can book onto before and afterschool clubs. We have set this up so it is more convenient for our families and parents. If you are having problems setting this up, please give the office a ring.

We have had a number of schools looking at Primet's provision recently and our reading and phonics is something the school is very proud of and LCC has recognised this recently. We are also having other schools come in to learn how we teach our topic lessons as well. It is lovely to share the excellent practice our teachers and TA's are delivering so the children are learning all the time.

Thank you for your continued support and we are always free to speak with at school.

Yours sincerely

Christopher Holmes  
Head teacher
