

Dear Parents/Carers,

This is our first newsletter for this year and we have had a brilliant start. The children have come into class and quickly settled down to work. Lots of children have already started to make progress which can be seen in their books. We have lots of new starters at school in a variety of classes and the children and staff have made them all feel very welcome. The new Reception class will be coming into school all day next week and they have also settled into school really well, a great start.

We have just been given the results from the Year 6 exams from June 2022. We are delighted to say that the children's progress in learning is amazing. We have some of the best results for progress in East Lancashire and Colne. The school is going from strength to strength and this is due to having such supportive Parents and excellent teaching going on in all the classrooms. The results are the best Primet have ever seen and you can see this improvement on the website. Well done to everyone.

I'm sure everyone realises the importance of attendance at school and I must stress that children should make every effort to be here every day to ensure good progress. All appointments should be made outside school time because the children learn best when they are present.

Your child should by now have a home reading book and please listen to your child read every night. School is having a drive on reading, the children complete lots of reading activities in school and home reading is just one of those. Part of this drive is that all classes have a class novel and are read to by the staff. Reading books with your children at home helps them develop a love of books and it builds your child's vocabulary. If you can read to your children for five to ten minutes a day it makes a real difference.

On a sadder note, I'm sure you are all aware that Queen Elizabeth died yesterday. As a school we will mark this significant event by completing work in school next week. We spoke about the Queen in assembly today and had some time quietly reflecting on the service she has given to the country over the last 70 years. We shall send out advice about the day of funeral, once we find out.

Yours sincerely

Christopher Holmes

Head teacher

### **Punctuality and Attendance**

Please ensure your child attends school every day. If for any reason your child will be absent, please contact the school office by 9am.

School starts at 8:45. Please ensure your child is here on time. The children start on their lessons when they arrive in school and if your child is late, they miss important teaching and learning time. If you are struggling with attendance or punctuality, please contact the school office or speak to our Family Support Worker, Mrs Eccles

Our school PTA is organising various events to raise money for school and to promote the school in the local area. If you would like to get involved in helping out, please contact the school office  
Everyone welcome!

### **Lost Property**

Please ensure that all your child's belongings have their name on.
