

Dear Parents and Carers,

It's the end of another great week in school. We have had lots of other visitors in school. Lancashire Fire Brigade came in and spoke to Year 2 and Year 6. They came in the fire engine, which got the whole school excited. Reverend Alex the vicar from Colne came into school last Wednesday to speak to all the children in Assembly and every one enjoyed it. We have had visits from other schools to look at our classes because our children here are brilliant at making progress. We see this in our assemblies on Fridays and it is always good to share these moments with our families. If you have won any certificates at home please bring these in to share them with the rest of the school.

It was great to see lots of parents attending our Phonics session with Miss Novak. There is another session soon and it will tell you lots how the children learn to read in Key stage 1.

Miss Dark has won an award for school for her teaching of a group of children with English as an Additional Language and our guests from Lancashire Education Authority were very impressed. Not only with the group but how inclusive the school is to all children. They especially liked the jeep that was parked up in EYFS!

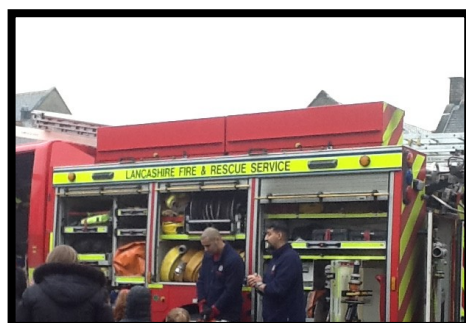

I hope everyone has a great weekend and stay safe.

Yours sincerely

Christopher Holmes

Head teacher
