

Dear Parents and Carers,

We have had lots going on this term, the children have been to lots of competitions. We have had our first table tennis team representing school at the local level and they performed in a competition at a local secondary school. All the children loved the event and they really enjoyed the games, winning lots as well!

We have had football and rugby events over the last week, the children have done really well at these and they looked brilliant in the new football kits bought by the PTA.

Mr Ariss, Miss Greenwood and Mr Spencer took lots of children in the choir to Manchester to the Young Voices event. They sang in front of thousands of people and Heather Small from M People performed alongside them. Mr Ariss said that the event was wonderful and the children really enjoyed being part of such a big occasion and their performance was excellent.

I would like to thank all the staff who take the children to all these events as representing school is an important part of school life and it is these experiences the children will never forget.

We are at the end of this half term and school will be closed until Tuesday 21st February 2023.

I hope everyone has a great half term and stay safe.

Yours sincerely

Christopher Holmes
