

Dear Parents and Carers,

A big congratulations goes out to Year 6 who have completed their SAT tests last week. The children in Year 6 have done very well and we are hoping for the best results Primet Primary school has ever achieved. This improvement is down to hard work from the children and the excellent efforts from our staff, Miss Bashir and Miss Iram, and their high expectations. These results will be shared on the website once we have got them.

The school has been very calm this week in all the classes as the children in every class want to do their best and show off. It is a credit to our families, children and staff here at Primet that this ethos pervades around the school. Year 2 have also completed their tests this week. Miss Richards and Miss Jackson have been brilliant at preparing the children for these tests. All the other year groups will be doing their assessments after the half term holidays.

Year 2 had a very successful trip to Fleetwood last week where they went to the museum and looked at the town and learnt lots about the place. All the children looked like they really enjoyed it. Thank you to the staff for organising this event. Year 6 also visited Ernie's in Colne completing a Geography field trip.

Please be aware that if you know of anybody who is looking for a school place for Reception in September to contact school immediately as we are not quite full for next year.

Thank you for your continued support and we are always free to speak with everyday at school.

Yours sincerely

Christopher Holmes

Head teacher
