

Dear parents/carers,

As you were aware we have had the inspectors from OFSTED in school this week. The report will follow in due course for everyone to read and this will also go onto the website.

Having been Head Teacher at this school for the last 3 years, I and all the staff are incredibly proud of this school and the progress the school is making. We truly believe this school has the capacity to be one of the best schools in Lancashire and we are now being recognised for this in a number of areas. The staff here work tirelessly to provide the very best every day with their professionalism and dedication to their roles.

At Primet we want children to be happy and succeed in an environment which is inclusive to all. The staff here are brilliant at this. The best example of this progress are your children. They show us excellent behaviour every day. They are a credit to all our families. Every day the children come in ready to learn with impeccable manners and a real thirst to improve daily. At Primet we would like to thank all our families who continue to support school in everything that we do. Supportive parents are key to school improvement and you all show that in abundance so thank you. Be really proud of Primet as it is a place that is really special.

Also, the whole school have worked very hard with their assessments this week. They all deserve a great weekend. Our Reception class had a lovely trip to Pizza Express in Skipton and the Netball team were again winners.

The PTA are doing a fantastic job in the way they support school in lots of different ways to make our school even better. On Friday 30th June 2023 it is the school fair with loads of stalls which will be amazing. If you would like to help can you please speak to the office.

Sports Day this year is on Friday 7th July so we are hoping for the weather to be kind.

Thank you for your continued support and we are always free to speak with you every day at school.

Yours sincerely,

Christopher Holmes

Head Teacher
