

Dear Parents,

We had a lovely assembly this morning, we gave out lots of awards and certificates. It is great to give out awards to children who have done exciting events in their own time such as football, dancing, swimming or art prizes. We are also giving out certificates for reading on Fridays. Your children may get one of these if you are reading every night at home. Sign the children's reading record so the teacher can see that they are reading their books. If your children do get a prize we contact all parents so they can attend the assembly and it was great to see so many parents here this morning.

The children have already started to compete in inter school sporting events and Miss Dark loves taking the children to these. As a school we feel that it is really important that all children represent school at an event either something that is artistic or sporting. Mr. Ariss has a brilliant choir and their performances last year were incredible.

Please remember that you can contact the office at any time if you want your child to attend breakfast or after school club. Also, can you please make sure that the office has your up to date email as all correspondence is delivered to this. And if you require any help with the school APP again contact the office.

I hope everyone has a lovely weekend and all the best .

Punctuality and Attendance

Please ensure your child attends school every day. If for any reason your child will be absent, please contact the school office by 9am.

School starts at 8:45 please ensure your child is here on time. The children start on their lessons when they arrive in school and if your child is late, they miss important teaching and learning time.

If you are struggling with attendance or punctuality, please contact the school office or speak to our Family Support Worker, Mrs Eccles
