Dear Parents and Carers,

I am writing to you about parking issues around school. There was a minor accident yesterday where two cars hit each other. It is essential that you all park considerately and make sure that you park away from school and walk. This will ease congestion and improve the safety for our families walking into and out of school.

In the mornings and after school Tatton Street and Cuerden Street are very busy and as a school your child's safety is paramount to us. Therefore, if you have to walk a little further we would thank you for your patience. We have notified the local traffic officers and they will be here at school patrolling. Parking safely is everyone's responsibility and we ask everyone to follow this advice.

Yours sincerely

Christopher Holmes

Head teacher

Together we care, believe, learn and achieve.
