Friday 15th December 2023

Dear Parents and Carers,

Great News!

Here at Primet Primary School, we pride ourselves in providing the best possible education for all children, so that they are happy in their learning. The teaching staff here at school are committed to providing the best every so no day is lost. The children are a credit to all our families and because of this, the school is going from strength to strength.

Please see the link below to school's academic attainment for last year where progress from the children's starting points is measured. As a school we expect all the children to make progress. From looking at the Department of Education's measures for Progress it is clear that Primet are **the highest performing school in Colne and Nelson**. That means our children make the best progress.

I would like to thank all our Parents who are so committed to the school and support us in what we are doing as it makes a difference to everyone here.

Remember we are here to help and please contact the office if you require anything.

Yours sincerely

Christopher Holmes
Head Teacher

Together we care, believe, learn and achieve.
