

Dear parents and carers,

The whole school have worked very hard with their assessments this week. All the children tried their hardest and the staff are keen to see how well they have done. They all deserve a great weekend. The children are always very settled in class and there is a great working atmosphere when you walk around school. They are a credit to all our families. We were recognised in the Lancashire Post, last weekend, at being in the top 15 schools in the area for the best progress and attainment.

Our gardening club overseen by Mrs Haydock and Miss Howarth is a huge success, it is improving the outside spaces around school. We have had so many amazing things given for free including these Poly tunnels. We are so grateful for the amount of generosity and all the resources will be put to good use.

Sports Day will be on Friday 5th July. This year we are using Primet Academy's sports hall to hold sports day. This will be exciting for the children and mean we don't have to cancel this event due to the weather.

Miss Charlotte Clapham will be leaving us soon to go on maternity leave. We wish her all the best. We are pleased to say that Mrs Nikki Miller will be joining us whilst Miss Clapham is off.

Thank you for your continued support and we are always free to speak with every day at school.

Yours sincerely

PHOTOGRAPHY COMPETITION

During the Summer holidays, Saturday 20th July — Monday 2nd September, we are going to be running a children's photographic competition. We want you to get out and about photographing "Bonnie Colne".

The competition is open to all children of school age and all entries will have a chance to win a fantastic DSLR camera. There will also be 2 other prizes of compact digital cameras.

To submit your entry, please print a copy at 7" x 5" and hand it in to a member of the market staff, and keep a copy of your picture on a memory card as the best 12 selected will be used to produce a charity calendar, with the profits from the sale of them going to Colne Youth Action Group (CYAG).

All pictures submitted must be in landscape mode

Pick your entry carefully as there will only be one entry per child allowed.

To ensure a good print, please take pictures at the highest image quality.
