

Dear Parents and Carers,

We have had a wonderful year where the school goes from strength to strength. We would like to thank all our families who are so supportive of school and your children here.

The staff at the school are committed to ensuring that the education for the children is the best it can be and they will constantly look to ways to improve both the teaching and learning and the environment. I am very fortunate to have such a talented, wonderful staff who want the best for all our families.

The Year 6 are leaving us today and we all wish them the best for the future. They have been a wonderful class and hold the vision and the values of the school closely to them. They have produced some excellent results for their assessments. This is down to hard work and the high expectations from themselves and the staff at school. Most of all, they are lovely, kind individuals who will go on to great things. They are a great example to all, and they will be hugely missed.

Please, be aware that the side road will remain closed due to the building work on the roof in the following Autumn term.

Henry Spencer our school site supervisor, is leaving us, who is off training to be a Geography teacher

Last of all, a massive thank you to all our amazing children. We are fortunate to teach them and we are very proud of each and every child. All our children are different and it is a privilege to see what they can achieve, both in and out of school. They are, what make the school so special.

We hope everyone has a great Summer holiday and remember to take care and stay safe and we shall see you all on Tuesday 3rd September 2024.

Yours sincerely,

Christopher Holmes
