

Dear Parents and Carers,

We are at the end of this half term and school will be closed until Tuesday 25th February 2025.

We have had lots going on here at Primet and the children have had lots of visitors. We have had an Owl visit in Year 2. Thank you to the PTA for funding this.

The children really enjoyed it. Year 2 and Year 4 have been out on local visits in our area looking at the local nature.

We have had GB Rail Freight in speaking with the Junior classes about safety around the railways.

Year 1 had a visit from the Mental health in schools team, they learnt about managing big emotions. Year 5 had a brilliant Space Day. The staff organise these events to support the children's learning and make the curriculum memorable.

The children have also represented school at Dodgeball competitions and Super Sport events and I would like to thank the staff for organising these.

I have also, attached a design for the new EYFS outdoor learning space and playground. This is going to completely change and improve the learning environment for our youngest class. This outdoor space will be the best in the local area and the children will greatly benefit from these improvements. Work is going to be carried out in the near future. Also, during the half term holidays our Year 6 and year 4 classrooms are being redecorated to make these rooms brighter and improving the learning environments. I hope everyone has a great half term and stay safe.

Yours sincerely

Christopher Holmes
