

Dear Parents and Carers,

Welcome everyone to the newsletter this week. We have had a busy week with our assessments and which ended with World Book Day last Friday. Thankyou to everyone who got dressed up in their favourite book character or in their pyjamas. The children have completed lots of book themed activities and read to each other.

The children have worked hard with their assessments and all the children tried their best which is all we can ask. Please book an appointment for parents evening on Thursday 20th March 2025. You can do this via the form on your email, if you need any support with this, please see the office.

The decorating an egg competition will be judged on Thursday 3rd April 2025 for Easter. Your child can come in with a decorated hard-boiled egg. The more unusual the better. Please bring these in either on the Wednesday or on the day, labelled with your children's name and Class.

We are also having an Easter raffle where you can win chocolates and Easter eggs. To help with this we are having a non-uniform day for the children on Friday 21st March 2025 where we are asking the children to bring in Easter eggs or chocolate donations.

The winners for all the competitions will be given out on the assembly on the last day of term on Friday 4th April 2025.

During Easter the EYFS playground is being redeveloped as seen in the picture and the roof works are finally coming to an end. It will be great to have a new roof and a school without any scaffolding. We are also, having new carpets fitted in some of the Junior classes during the break.

Remember any problems at home please contact school so we can help you in any way we can. Please contact us if your circumstances change, even if it is not school related, we may have the answer or know where you can get support.

I hope everyone has a great weekend and stay safe.

Yours sincerely

Christopher Holmes

Head teacher

Certificate & Award Winners

7th March 2025

Reception

Rocky, Hannah,
Dexter

Year 1

Alessia, Hannah,
Yanis

Year 2

Serenity, Thea, George
