Primet Values

At Primet, our values of **Aspire, Respect and Together** are at the heart of everything we do. We encourage our children to aim high, show kindness and respect, and work together as a supportive community. These values help every child to learn, grow and aspire to be their very best.

Our values. For all of us.

Our values are more than words on a wall.
They shape the way we think, act and work –
every pupil, every member of staff, every day.
