Primet Values

At Primet, our values of **Aspire**, **Respect** and **Together** are at the heart of everything we do. We encourage our children to aim high, show kindness and respect, and work together as a supportive community. These values help every child to learn, grow and aspire to be their very best.

Our values. For all of us.

Our values are more than words on a wall.
They shape the way we think, act and work –
every pupil, every member of staff, every day.

Together 
we care,
believe,
learn and
achieve

Behaviour Expectations

At Primet, we follow our Ready, Respectful, Safe expectations throughout the school day. In class and on the playground, these expectations, help children make positive choices, build independence and create a calm and safe environment where everyone can learn and enjoy school.

Ready, Respectful, Safe

To achieve the **Primet Principles**, we follow these behavioral expectations. Be Ready. Be Respectful. Be Safe.

When asked, children can explain what '**Ready**' behaviours are. They can explain what it means to be **Respectful** and how they personally show this to all members of our school community. Similarly, they know how to stay safe in our school: inside and outside and can give examples of **safe** choices.
