Friday 20th March 2020

Dear Parents and Carers,

This is our last day where school is open as normal. I would like to thank all the pupils, parents and staff in these unusual times. Everyone has been positive, calm and supportive to each other which is crucial. As a head teacher I truly believe in the education and support we give as a school to all our families. We are still working for all your children and the staff care about what your children are learning at home. Please keep yourself informed via the school website and currently emails are being set up for each teacher so your children can have direct contact with them for support in their learning. Please contact the office if you haven't given us your email address.

From Monday, children will not be expected to attend school and will be accessing their learning on our school website. Resources have already been uploaded and additional items will be added as time goes on. Not all the resources will be directly related to the school learning curriculum. We are keen to maintain the sense of a school community and will be sending out activities and challenges for the children (and the whole family) to join in with. We would welcome feedback, comments and photos on the activities and challenge, and if you send us photos, please indicate if you give us permission to include the photos on our website, facebook or twitter feed. Please check our website regularly for updates, information and in order to keep in touch with the wider school community. I'm sure over the coming weeks the look and feel of the website will change as we move more and more items online. We will continue to use our text service, but message length is limited and emails are easier so please do ensure you have sent us your email address confirming the name of your child and that you give us permission to contact you by email.

For the children of key workers, school will open at 7.15am and close at 3.10pm. Please ensure if you qualify as a key worker that you have contacted school and confirmed whether your child will be attending during the school closure period. Please contact school by email on sbm@primet.lancs.sch.uk or ring on 01282 864607.

Thank you for your understanding and patience during these difficult times and your support and kindness is greatly valued. We are here for you. Please contact us with any issues big or small – we will support you in any way we can. Please remember to look after each other and stay safe and stay healthy.

All the best,

A handwritten signature in black ink, appearing to read 'C Holmes', written over a light blue horizontal line.

Christopher Holmes
Head teacher

Together we care, believe, learn and achieve.
