

Easter Egg Design Competition

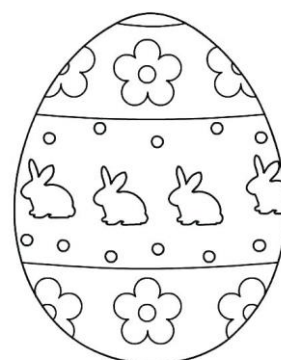

The Friends of Primet Primary School are running our first ever event!

We are inviting all children to get creative, and to design their very own Easter egg.

There are fabulous Easter themed prizes to be won for each key stage, and the winners will be announced on the 5th April in Friday's assembly.

Entry fee is £1 and the closing date for all entries is Friday 29th March.

To enter, simply design your egg on the template attached, complete the details on the back of the template and send it into the school office, together with your £1 entry fee.

We have included some egg designs on here to get you inspired, please feel free to be as creative as you like!
